**Bread Garden, which opened in 1995,
is a professional home baking company
that has been leading the culture of
'Home Baking' for the first time in Korea.**

1. Bread Garden offers everything which you need for home baking including baking utensils, packaging supplies and specialty small appliances from baking ingredients.
2. Bread Garden has been retaining the only home baking total solution in the world with manufacturing products and production facilities through product development, self-design ability as well as marketing in wholesale and retail related to home baking industry
3. Bread Garden has partnerships with global companies from Germany, Spain, the Netherlands and Japan. Through these overseas partners, we introduce a variety of premium ingredients and tools to the domestic market.
4. We introduce delicious and healthy recipes which is perfect for Korean people through constant research and development for 'Korean Home Baking' realization
5. The various product of Bread Garden is easily accessible from regular-store, large discount stores, department stores and more. And you can also meet our product from our own online retailer, B&C market (www.bncmarket.com).

Bread Garden as a leading specialist in home baking industry produces safe and reliable products at our own direct manufacturing factory in Seongnam-si, Gyeonggi-do, Korea. In order to develop healthy and delicious home baking culture, Bread Garden is responsible for everything from development to production for various products.
